Dear Moving Teaneck Forward:

*Counsel*  
Albert G. Kroll

On behalf of the 20,000 members of the New Jersey State Laborers', we are pleased to present this contribution to you. This contribution of \$6,000.00 represents 30,000 hours of work by our members. The hard-working men and women of LiUNA depend upon your support on issues of economic development, which keep our members working.

As you may know, our organization places heavy emphasis on community and political involvement. Laborers take great care in selecting those office holders and candidates whom we contribute to and endorse.

We appreciate your willingness to address our concerns such as labor agreements, responsible contracting and labor law enforcement – and – to act in the best interest of our members and their families. You have earned our support because of your positive response to workers' needs and your commitment to fight for union jobs and protection of our right to organize the industry.

Please do not hesitate to contact us, if we can be of any assistance to you.

Sincerely,

Raymond M. Pocino  
Chairman
